Experience

Product Designer – Quantum Realm Engineering – Aug 2026 – present

- Designing several B2B web applications directly in code using AI coding agents.

UX designer – HS-Soft – Nov 2025 – Jul 2026

- Conducted UX audits and usability reviews across multiple products using session replay analysis and product analytics.
- Identified friction points, prioritized improvements, and defined metrics to evaluate design impact.
- Redesigned complex workflows and product modules.

- Collaborated with product and engineering teams on new features and continuous UX improvements.

UX/UI designer – Quantum Realm Engineering – Oct 2021 – Nov 2025

- Designed the company's cryptocurrency and investment products.
- Later transitioned to client-facing projects, designing websites, web applications, and mobile apps for startups across various industries.
- Collaborated directly with founders, developers, and stakeholders to define requirements and deliver production-ready solutions.

UX/UI Designer / Product designer – Digifico GmbH – Nov 2018 – Oct 2021

- Led the end-to-end design of a calendar and scheduling experience for a business messaging platform.
- Designed various client-facing web and mobile applications, specializing in solutions for the financial industry.

Web Designer – LumoSpark – Nov 2017 – May 2018

- Designed responsive websites, web applications, and landing pages for a wide range of clients in a fast-paced design studio environment.
- Managed the design-to-development handoff process, ensuring visual accuracy and high-quality implementation.

UX/UI Designer – NISA 8020 – Feb 2017 – Aug 2017

- Designed interfaces for custom CRM modules and internal business tools.

Graphic Designer – ILF Law Firm – Nov 2015 – Feb 2017

- Designed presentations for various corporate events and internal needs.
- Created print materials, including business cards, restaurant menus, and promotional items.

Education

Graphic & Web Design – IT STEP Academy – 2015

Bachelor's Degree in Chemical Engineering – National Technical University "Kharkiv Polytechnic Institute" – 2012 – 2016
